

# **EURO MAINTENANCE**

**14-16 May 2012 Belgrade, Serbia**

**Dear friends in the National Member Societies of EFNMS,**

It is now less than one year to our international Congress in Belgrade. The host Society, DOTS, has made a lot of efforts in its preparation for the event next year.

To achieve the expected success in our Congress all of us have to give our support. That includes convincing our national experts in maintenance to participate as speakers in the Conference and send their Abstracts to DOTS before the 15<sup>th</sup> of July. (The previous last date – 15<sup>th</sup> of June has been extended to the 15<sup>th</sup> of July.)

One of the reasons for this extension is the small number of Abstracts that had arrived on the 15<sup>th</sup> of June from you. (See here below.)

Please, make an effort and make sure that the number of Abstracts from your country will increase!

Best regards

Jan Franlund, the Euromaintenance Liaison Officer

---

Here is the number of Abstracts received from the National Member Societies of EFNMS on the 15<sup>th</sup> of June:

Belgium	6	Ireland	2	Slovakia	3
Czech Republic	1	Italy	1	Spain	2
